Water Meter Replacement

The Town of Oneonta has contracted with T & K Harrington to replace all water meters in the Woodland Water District. This meter replacement is free and at no cost to the homeowner.

This contractor may have already reached out to you or to schedule an appointment please call (607)656-7535.

Someone age 18 or older must be present for the installation which usually takes about 1 hour during which time your water will be shut off.

The water meter is typically located inside, near the main water shut-off valve. The meter needs to be accessible to the installer.

This program is authorized by the Town of Oneonta
