

Minutes from the STR committee held on March 5, 2026

Attendees from the Core Committee: Diane Carlton, Facilitator, Teresa DeSantis, Jenny Koehn, and Trish Riddell Kent.

We reviewed our schedule of meetings and need to change April 7th to April 2nd.

Applications for Committee members will be accepted through March 15.

We drafted a Press Release to send to The Daily Star tomorrow to further promote our search for committee members as well as to promote our Town STR survey that will be posted on the Town website next week. We hope the press release will help get the word out so more residents will respond to the survey.

We will ask Ryan to set up the Survey questions on the Town Website. Thank you Ryan for doing this and for the great job on the application.

We drafted questions for the survey to encourage respondents to provide us with more feedback.

Respectfully submitted by,

Trish Riddell Kent, Chair
