

TOWN OF ONEONTA

RESOLUTION FOR STANDARDIZATION OF AQUALOGICS AS VENDOR FOR THE MULTIPLE NEEDS OF THE TOWN OF ONEONTA'S WATER DISTRICTS

WHEREAS, the Town of Oneonta designates AquaLogics as our sole Supervisory Control and Data Acquisition (herein “SCADA”) vendor for water operation controls (at the pump house/well control building and the water tank) will create a single, fluid company; and

WHEREAS, pursuant to GML Section 103 designating AquaLogics as our sole SCADA vendor would streamline the handling all of what is needed to implement any control, adjustment, troubleshooting, remote log in, etc.; and

WHEREAS, the Town Water Department has advised that having multiple companies/vendors and/or systems involved will overly complicate and slow an already complicated situation; and

WHEREAS, the Town Board of the Town of Oneonta after due deliberation agrees and determines that using a single source creates an easier more cost effective procedure for the Town’s Water Districts, helping avoid any corrections or missed items for the future potentially caused by other companies being involved; and

WHEREAS, standardization will expedite responding to issues involving public water supply quality concerns without requiring searching for competitive bidding during a crisis, as well as ease of use and familiarity of using a single knowledgeable service source for this highly specialized need.

NOW, THEREFORE, BE IT RESOLVED that Town Board of the Town of Oneonta authorizes the standardization of the SCADA controls for the Town of Oneonta’s Water Districts to AquaLogics Systems, Inc.; and it is further

RESOLVED, that this Resolution shall take effect immediately.

CERTIFICATION

I, Ryan F. Pereira, do hereby certify that I am the Town Clerk of the Town of Oneonta and that the foregoing constitutes a true, correct and complete copy of a resolution duly adopted by the Town Board of the Town of Oneonta at a meeting thereof held at Town Hall, 3966 State Highway 23, Oneonta, New York on the 11th day of March, 2026.
