

THE TOWN OF ONEONTA HIGHWAY SUPERINTENDENT has designated the HOLE ROAD as a “SEASONAL ROAD”, and it will not be maintained from December 1, 2016 through April 1, 2017. Signs will be posted in that area.

Town of Oneonta ordinances prohibit parking on roads and streets within the Town of Oneonta when there is 2 ½ inches or more of snow fall occurring at any time. Prohibition remains effective until streets and roads are cleared of snow. Violators may be ticketed and/or car towed away at owner’s expense. The Town of Oneonta appreciates your cooperation during the winter months in order to properly clean and maintain roads and streets.

James A. Hurtubise
Town of Oneonta Highway Superintendent
